Commissioner of Patents
Washington, D.C. 20231

AMENDMENT

Dear Sir:

In response to the Office Action dated February 20, 2002, Applicant respectfully requests entry of the following amendments and remarks into the file of the above identified application.

IN THE CLAIMS

Please amend the claims as follows:

RECEIVED

JUL 01 2002

GROUP 3600

- a1
1. A method of advertising commercial products or services, comprising:
 - a) purchasing an advertisement location on an external portion of a spacecraft;
 - b) creating an advertisement of a private sector entity that sells goods or services to the general public; and
 - c) having said advertisement of said entity placed on said advertisement location.

4. The method of claim 1, further comprising:
making the advertisement large enough so that it can be seen from the earth by a telescope.

- a2
5. The method of claim 1, wherein:
said spacecraft includes a solar sail having a surface; and
said advertisement location is disposed on the surface.
